PATIENT INFORMATION

- A full bladder is preferred but not essential for all scans.
- Many early pregnancy and gynaecological scans will require a transvaginal scan. If you have any concerns about a transvaginal scan please discuss at time of booking and/or at time of examination.
- USB sticks for recording ultrasound images are available for purchase from reception.
- Full payment is required at completion of examination.
- Children are welcome during the scan but should be supervised by another family member or friend.

Your doctor has recommended that you use Western Imaging for Women. You may choose to use another provider but please discuss this with your doctor first.
